1961 Article Index

A subject listing of articles published in MODERN MACHINE SHOP during the past year.

ASSEMBLY

Airless Spraying of Metal Bonding Adhesive ..... Apr., 140

AUTOMATION

Fabricating Compressor Housings at Whirlpool ..... Jan., 108
Special Cylinder-Producing Machine ..... Apr., 131
Pneumatic Recorder Assures Quality Jig Boring ..... Apr., 158
Miller Speeds Duplication ..... May, 144
Motor Shell Manufacturing Automated ..... May, 148
Automatic Drilling of Small Diameter Holes ..... Aug., 96
Maintaining Dimensions Relative to a Floating Face . Sept., 138
Deburring Tube Ends ..... Oct., 154

BENDING

The Million Dollar Bend ..... Mar., 126
Press Brake Type Die for Arbor Press ..... Apr., 162
How to Bend Tubing ..... Sept., 130

BORING

Automobile Parts Bored Four at a Time ..... Jan., 153
Producing Pipeline Valves ..... Feb., 122
Machine Presets Tooling for Boring Operation ..... Feb., 152
Boring Differential Housings from Three Directions ... Feb., 154
Tracing Simplifies Machining Jobs ..... Mar., 140
Combination Setup Produces Automotive Part ..... Mar., 141
Versatile Setup Increases Pillow-Block Production .... May, 145
Setup Reduces Cost of Machining Turret ..... June, 144
Special Boring Heads Increase Cylinder Production .. July, 114
Unique Machine Reduces Axle Boring Costs ..... July, 122
Three-Way Machine for Cylinder Machining ..... Aug., 120
Spring Loaded Bushing Controls Depth of Bore ..... Sept., 164
Machining Thin-Walled Parts ..... Nov., 122
Cartridge Boring Provides "Recoverable Tooling" .... Dec., 118
Stub Boring with Titanium Carbide Tools ..... Dec., 126

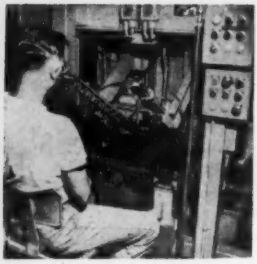
BRAZING

Material Change Cuts Cost of Turbocharger ..... Jan., 154
Brazed Cutting Tool Cleaning ..... May, 154
Special Tooling Extends Use of Induction Heaters .... July, 100
Brazing Process Maintains Close Tolerances ..... July, 120

March, Page 100

July, Page 100

1961 Article Index . . .



January, Page 108

February, Page 130

November, Page 122

BROACHING

Problem Solved in Broaching Breech Ring Body ..... Jan., 149
Broaching—Tooling and Practice ..... June, 122

BURNISHING

Roller Burnishing Contributes to Automotive Safety .. Sept., 151

CARBIDE TOOLING

Special Carbide Grade Cuts Machining Costs ..... Jan., 150
Machining Railroad Car Wheels ..... Feb., 156
Machining Steering Cylinders ..... Mar., 142
Gear Blank Production Increased ..... Apr., 160
Throw-Away Inserts for Armor Plate Turning ..... May, 148
Production Milling Aluminum Blocks ..... Sept., 150
Special Milling Cutter Solves Rough-Milling Problem . Sept., 158
Industry Standards for Cemented Carbide Products .. Sept., 164
Stub Boring with Titanium Carbide Tools ..... Dec., 126

CHEMICAL MACHINING

Electro-Chemical Machining of Refractory Alloys .... June, 102

CLAMPING

Hose Clamps Helpful in Grinding Ends of Pins ..... Feb., 162
What's There to Know About Demagnetization? ..... Apr., 132
Quick Clamp Simplifies Fixture Design ..... June, 152
Tie Bar Increases Usefulness of Parallel Clamps ..... Sept., 163
Anchoring T-Slot Bolts ..... Dec., 131
Springs and Metal Tubing Make Chuck Jaw Spacers .. Dec., 132

CLEANING

Cleaning Turbocharger Parts ..... Mar., 112
Brazed Cutting Tool Cleaning ..... May, 154

COOLANTS

High Speed Machining of Non-Ferrous Parts ..... May, 124
Machining Missile Parts ..... June, 118
Concentrated Coolant Aids Drilling ..... Aug., 122

DEBURRING

Automatic Deburring Tube End ..... Oct., 154

DIE DESIGN

Design for a Compound Die ..... Jan., 128
Roller Bearing Cage Multiple Piercing Die ..... Feb., 134
Electrical Discharge Machining Cuts Die Costs ..... Feb., 144
Press Brake Dies ..... Mar., 103
Record-Size Die ..... Mar., 107
Design for a Hub-Producing Die ..... Mar., 124
Press Brake Type Die for Arbor Press ..... Apr., 162
Simple Die Forms Beaded Channel ..... May, 134
Die Forms Feather-Edged Cup Washer ..... June, 132

Sectional Type Punching Die ..... July, 132
Lathe Chuck Aids Die Grinding ..... Aug., 123
Die Forms Special Channels ..... Oct., 142
Design for a Sub-Press Perforating Die ..... Nov., 143
Machinable Carbide Dies ..... Nov., 153
Zee Clip Producing Die ..... Dec., 90

DRAWING

Fabricating Compressor Housings at Whirlpool ..... Jan., 108

DRILLING

Producing Aluminum Alloy Pistons ..... Mar., 100
Numerically Controlled Drill for Structural Parts .... Mar., 136
Deep Hole Drilling Missile Parts ..... May, 121
Special Drilling Setup for Window Frames ..... May, 152
U-Shaped Layout Machining Center ..... June, 123
Drilling Close Tolerance Holes ..... June, 136
Reduction Drive for Electric Drill ..... June, 154
Automatic Drilling of Deep Holes ..... Aug., 96
Machining Cast Iron Compressor Heads ..... Aug., 118
Concentrated Coolant Aids Drilling ..... Aug., 122
Let's Discuss Numerical Control ..... Oct., 144
Submerged Drilling Improves Hole Finish ..... Oct., 168
Turret Drill Reduces Costs ..... Nov., 152
Low Cost Numerically Control Drill Hits Market .... Dec., 110
Machining Truck Shackle Pins ..... Dec., 122

ELECTRICAL DISCHARGE MACHINING

Electrical Discharge Machining Cuts Die Costs ..... Feb., 144
A Look at Electrical Discharge Machining ..... Dec., 82

EMPLOYEE TRAINING

Let's Discuss Numerical Control in Simple Language . Apr., 120
Getting Ahead in Industry ..... Apr., 130
A Wage Incentive Need Not Be a Give-Away ..... Apr., 144
High Speed Machining of Non-Ferrous Parts ..... May, 122

EXPOSITIONS

Idea Center for Industry West ..... Mar., 132
ASTME Tool Show in Print ..... May, 184
The 1961 Detroit Metal Show ..... Oct., 128

FASTENING

Airless Spraying of Bonding Adhesive ..... Apr., 140
Anchoring T-Slot Bolts ..... Dec., 131

FIXTURES

Foolproof That Jig or Fixture ..... Mar., 128
Quick Clamp Simplifies Fixture Design ..... June, 152

FORMING

The Electroshaping Process ..... Jan., 122
Giant Floturn Machine Demonstrated ..... Feb., 148
Portable Radiant Heater Simplifies Forming Work .... Apr., 116
Automatic Press Bank ..... June, 142
How to Bend Tubing ..... Sept., 130
Cases Produced by Ardeform Process ..... Oct., 124
Improving Quality on Motor Switch Parts ..... Oct., 156

June, Page 102

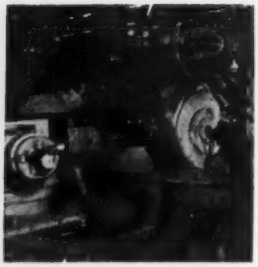
April, Page 144

May, Page 144

1961 Article Index . . .

August, Page 106

May, Page 126



July, Page 112

GAGING

Ball Plunger Aids Close Tolerance Gaging ..... Jan., 157
Precision Measurement and Gaging Techniques ..... Apr., 142
Toolmaker's Buttons Establish Accurate Angles ..... Apr., 163
Method for Checking Lathe Bed Wear ..... Apr., 164
Machining Missile Parts ..... June, 118
Gaging System Solves Manufacturing Problem ..... June, 148
Tool Indicator Guards Against Dull Cutting Tools .... July, 118
Telescoping Gage Made from Worn Plug Gage ..... Aug., 124
Production Checking of Gear and Spline Leads ..... Oct., 160

GRINDING

Non-Critical Surface Grinding Simplified ..... Jan., 144
Hose Clamps Helpful in Grinding Ends of Pins ..... Feb., 162
Paired Grinding Wheels Solve Breakdown Problem .. Mar., 146
American Standard for Grinding Wheels ..... Apr., 119
Precision Quills Reduce Manufacturing Costs ..... June, 146
Finish Machining Missile Nose Cones ..... Aug., 110
Lathe Chuck Aids Die Grinding ..... Aug., 123
Grinding Stresses ..... Sept., 123
Production Line Grinding of Piston Rods ..... Sept., 154
Standard System Solves Grinding Dust Problem ..... Oct., 162
Grinding Filmstrip ..... Nov., 160

HEAT TREATING

Straightening Shafts ..... Mar., 146
Radiant Heater Simplifies Hot Forming Work ..... Apr., 116
Special Tooling Extends Use of Induction Heaters .... July, 100
Four-in-One Heat Treatment ..... Nov., 156
Nitriding Furnace Increases Quality Control ..... Dec., 120

INCENTIVE SYSTEMS

A Wage Incentive Need Not Be a Give-Away ..... Apr., 144

INSPECTION

Dye Penetrant Flaw Location Movie ..... Jan., 115
Method for Checking Lathe Bed Wear ..... Apr., 164
Production Checking of Gear and Spline Leads ..... Oct., 160

JIGS

Foolproof That Jig or Fixture ..... Mar., 128
Universal Jig for Tool Work ..... July, 130
Drill Jig for Threaded Parts ..... Nov., 164

MACHINE DESIGN

Tandem Mill Doubles Cold Rolling Capacity ..... Feb., 156

MACHINE MAINTENANCE

How Thorough Is Your V-Belt Maintenance? ..... Nov., 146

MATERIALS

Working the Exotic Alloys ..... Jan., 116
Material Change Cuts Cost of Turbocharger Assembly . Jan., 154
Revised Data on Machining Aluminum ..... Feb., 129
Tracer Machining Beryllium ..... Feb., 130

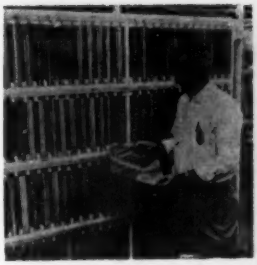
Producing Aluminum Alloy Pistons ..... Mar., 100
Faster Machining Stainless ..... May, 140
Extruding Brazing Wire to 1/32 Inch in Diameter .... July, 124
New Steel Provides Longer Tool Life ..... Aug., 114
High-Strength Steels for the Missile Industry ..... Nov., 151
Machinable Carbide Dies ..... Nov., 153

MATERIALS HANDLING

Hogging—A Job Shop Specialty ..... May, 120

METALLIZING

Metallizing Corrosion-Proofs Plane Parts ..... May, 150
Metallized Truck Hubs ..... Oct., 164



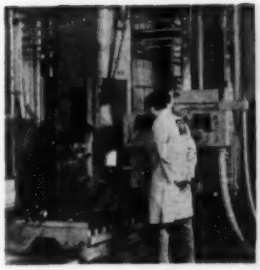
January, Page 134

METALLURGY

Working the Exotic Alloys ..... Jan., 116
The Electroshaping Process ..... Jan., 122
Producing Aluminum Alloy Pistons ..... Mar., 100
Hard-Surfacing Increases Camshaft Service Life ..... Apr., 156
Faster Machining Stainless ..... May, 140
Electro-Chemical Machining of Refractory Alloys .... June, 102
Relieving Stresses by the Torch Method ..... June, 153
Mechanical Hands Manipulate Radioactive Elements . Aug., 116
Production Line Hardening of Piston Rods ..... Sept., 154
Hard Facing Large Aluminum Roll ..... Nov., 125

MILLING

Standard Drill Press Speeds Milling of Meter Housings . Jan., 146
Tracer Machining Beryllium ..... Feb., 130
Treatise on Milling and Milling Machines ..... Feb., 142
Routing Non-Ferrous Aircraft Parts ..... Mar., 104
Miller Speeds Duplication ..... May, 144
Vertical Mill Used in Repairing Compressors ..... May, 146
Completing a Part in One Operation ..... Aug., 91
Developing Machine Tool Instructions ..... Aug., 106
Machining Cast Iron Compressor Heads ..... Aug., 118
Portable Tools Solve Machining Problem ..... Sept., 146
Production Milling Aluminum Blocks ..... Sept., 150
Special Milling Cutter Solves Rough-Milling Problem . Sept., 158
Interview with N/C Job Shop Manager ..... Oct., 114
Let's Discuss Numerical Control ..... Oct., 144
Vertical Mill Aids Gasket Die Production ..... Nov., 154



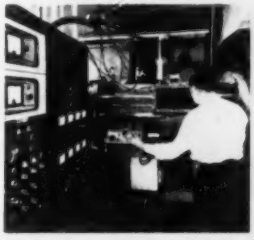
October, Page 114

NUMERICAL CONTROL

Developing Machine Tool Instructions ..... Aug., 106
Let's Discuss Numerical Control ..... Sept., 116
Interview with Job Shop Manager ..... Oct., 114
Let's Discuss Numerical Control ..... Oct., 146
Let's Discuss Numerical Control ..... Nov., 126
Let's Discuss Numerical Control ..... Dec., 92
Low Cost Numerically Control Drill Hits Market ..... Dec., 110

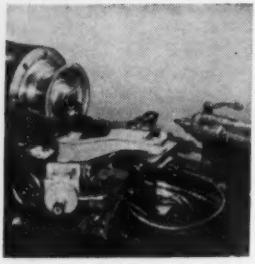
PEENING

Bearingizing Increases Life of Helicoptor Components . Jan. 148
Steel Ball Burnishing and Sizing of Holes ..... Feb., 163
Bearingizing Air-Valve Parts ..... Apr., 157

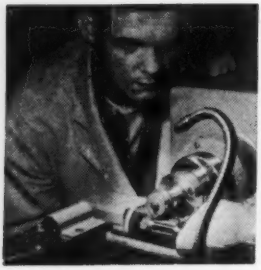


September, Page 124

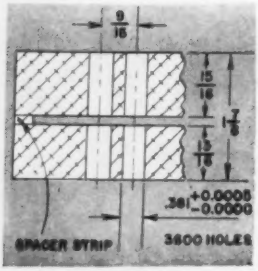
1961 Article Index . . .



August, Page 94



October, Page 134



June, Page 136

PLANT LAYOUT

Miniature Fabrication Shop Speeds Parts Production . . Jan., 134
Machining Missile Parts . . . . . June, 118
U-Shaped Layout . . . . . June, 123
Plug-In Bus Duct Increases Shop Versatility . . . . . Sept., 142

PLANT MANAGEMENT

As I See Your Supervisory Problems . . . . . Jan., 105
Miniature Fabrication Shop Speeds Parts Production . . Jan., 134
Machine Shop Operations and Setups . . . . . Jan., 140
As I See Your Supervisory Problems . . . . . Feb., 112
Are Vision Problems Hampering Your Production? . . . . Feb., 124
Supervisory Problems . . . . . Mar., 96
Welder Manufacturer Reverses Import Trend . . . . . Mar., 108
Expanding Working Capital in Metalworking . . . . . Mar., 116
Supervisory Problems . . . . . Apr., 112
A Wage Incentive Need Not Be a Give-Away . . . . . Apr., 144
Supervisory Problems . . . . . May, 112
Supervisory Problems . . . . . June, 98
What Is a Numerical Control Programmer? . . . . . June, 110
Accounting for Time . . . . . June, 124
Supervisory Problems . . . . . July, 80
Are You Looking for Proof? . . . . . July, 84
Principles of Manufacturing and Processes . . . . . July, 105
Supervisory Problems . . . . . Aug., 80
Pre-Planning Speeds Job Assignment Work . . . . . Aug., 100
Supervisory Problems . . . . . Sept., 112
Let's Discuss Numerical Control . . . . . Sept., 116
Supervisory Problems . . . . . Oct., 110
Interview with N/C Job Shop Manager . . . . . Oct., 114
Interview on Leasing Machine Tools . . . . . Nov., 114

POLISHING

Non-Critical Surface Grinding Simplified . . . . . Jan., 144

PRESSING

Impact Extruding Cans from Aluminum Discs . . . . . Jan., 114
Portable Radiant Heater Simplifies Forming Work . . . Apr., 116
Press Brake Die for Arbor Press . . . . . Apr., 162
What Constitutes a Good Press Safety Program? . . . . May, 126
Automatic Press Bank . . . . . June, 142
Hydraulic Press Brake Forms Roof Deck . . . . . Sept., 156

PROFILING

Tracer Machining Beryllium . . . . . Feb., 130
Tracing Simplifies Machining Jobs . . . . . Mar., 140
Electro-Chemical Machining of Refractory Alloys . . . . June, 102
Tracer Machining and Explosive Forming . . . . . June, 150
Are You Looking for Proof? . . . . . July, 85
Giant Tracer Machining Installation . . . . . July, 113
Interview with N/C Job Shop Manager . . . . . Oct., 114
Let's Discuss Numerical Control . . . . . Oct., 144

PUNCHING

Sectional Type Punching Die . . . . . July, 132

QUALITY CONTROL

Pneumatic Recorder Assures Quality in Jig Boring ....Apr., 158
Clean Room for Quality Control .....July, 96
Machining Small Gears .....Oct., 134
Nitriding Furnace Increases Quality Control .....Dec., 120

REAMING

Combination Setup Simplifies Part Production .....Mar., 141
Drilling Close Tolerance Holes .....June, 136

ROUTING

Routing Non-Ferrous Aircraft Parts .....Mar., 104

SAFETY METHODS AND SYSTEMS

Are Vision Problems Hampering Your Production? ....Feb., 124
What Constitutes a Good Safety Program .....May, 126
Machining Magnesium Race Car Wheels .....Aug., 96
Mechanicel Hands Manipulate Fuel Elements .....Aug., 116

SAND BLASTING

Brazed Cutting Tool Cleaning .....May, 154

SAWING

Aluminum Plate Cutting Machine .....Sept., 145
Jeweler's Saw Cuts Thin Walled Tubing .....Oct., 166

SCREW MACHINING

Cam and Tool Design .....Jan., 121
Screw Machine Products Report .....Jan., 127
Automatic Screw Machine Film .....Feb., 133
U-Shaped Layout Machining Center .....June, 123
Completing a Part in One Operation .....Aug., 84
Machining Small Gears .....Oct., 134

TAPPING

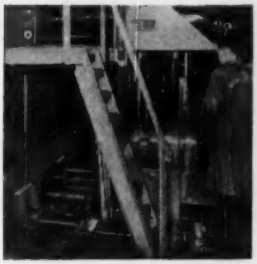
Tapping Machine Modified to Process Blender Base ...July, 122
Machining Truck Shackle Pins .....Dec., 122

TESTING

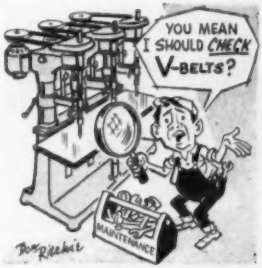
Chilling Machine Tests Automotive Parts .....Oct., 158

TOOL DESIGN

Heavy Duty Cam Clutch Screw Driver .....Jan., 158
Stud Driver .....Feb., 162
New Tool Made from Worn Pliers .....Mar., 148
Reduction Drive for Electric Drill .....June, 154
Are You Looking for Proof? .....July, 84
Special Tooling Extends Use of Induction Heaters ....July, 100
Universal Jig for Tool Work .....July, 130
Accurate Off-Center Locating Method for Mandrels ..July, 130
New Steel Provides Longer Tool Life .....Aug., 114
Maintaining Dimensions Relative to a Floating Face .Sept., 138
Portable Milling Tools Solve Machining Problem ....Sept., 146
Tool for Removing Bushings .....Oct., 166
Rigid Bull Center .....Dec., 130



March, Page 136

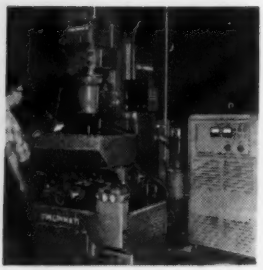


November, Page 146

April, Page 116

1961 Article Index . . .

September, Page 142



December, Page 82

February, Page 148

TOOL MAINTENANCE

Tightening Loose Pulleys ..... Nov., 163

TURNING

Special Carbide Grade Cuts Machining Costs ..... Jan., 150
Lathe Tooling for Oil Groove ..... Jan., 156
Tracer Machining Beryllium ..... Feb., 130
Giant Floturn Machine Demonstrated ..... Feb., 148
Cutting-Off and Forming in One Operation ..... Feb., 160
Producing Aluminum Alloy Pistons ..... Mar., 100
Machining Large Gear Blanks ..... Mar., 140
Machining Steering Cylinders ..... Mar., 142
Gear Blank Production Increased ..... Apr., 160
Method for Checking Lathe Bed Wear ..... Apr., 164
Hogging—A Job Shop Specialty ..... May, 116
Throw-Away Inserts for Armor Plate Turning ..... May, 148
Setup Reduces Cost of Machining Turret ..... June, 144
Coordinated Development Shop Cuts Prototype Costs ..... July, 106
Liquid Lathe ..... July, 109
Giant Tracer Machining Installation ..... July, 113
Machining Race Car Wheels ..... Aug., 94
Machining Thin-Walled Parts on Turret Lathe ..... Nov., 122
Self-Aligning Stop Aids Chucking ..... Nov., 162
Cutting 0 to 45-Degree Buttress Threads ..... Dec., 102

WELDING

Producing Pipeline Valves ..... Feb., 116
High Speed Welding of Center Sills ..... Feb., 140
Welder Manufacturer Reverses Import Trend ..... Mar., 108
Welding Data Book ..... Mar., 115
Motor Shell Manufacturing Automated ..... May, 148
Electron Beam Welding Facilitates Vessel Production ..... Sept., 124
Improved Design Reduces Welding Costs ..... Sept., 162
Cases Produced by Ardeform Process ..... Oct., 124
Improving Weld Quality on Motor Switch Parts ..... Oct., 156

GENERAL INTEREST

The Electroshaping Process ..... Jan., 122
Anti-Friction Bearing Study ..... Feb., 136
Machinability Report ..... Mar., 111
Let's Discuss Numerical Control in Simple Language ..... Apr., 120
A Wage Incentive Need Not Be a Give-Away ..... Apr., 144
What Constitutes A Good Safety Program ..... May, 126
ASTME Tool Show in Print ..... May, 184
What's the Job of a Numerical Control Programmer? ..... June, 110
Handbook of Fluid Dynamics ..... June, 135
Principles of Manufacturing and Processes ..... July, 105
Compressed Air and Gas Handbook ..... July, 108
The 1961 Detroit Metal Show ..... Oct., 128
Chilling Machine Tests Automotive Parts ..... Oct., 158
Dust Collecting System Solves Grinding Problem ..... Oct., 162
Interview on Leasing Machine Tools ..... Nov., 114
Let's Discuss Numerical Control ..... Nov., 126
Lathe Run-Off Bubble ..... Nov., 140
Gear Classification Manual ..... Nov., 144
Low Cost Welding of Blast Furnace Boxes ..... Dec., 124
